

Taquanta Investment Team Update

16 November 2020

We would like to take this opportunity to inform all our clients of Stephen Rogers' retirement from Taquanta, effective the 31st October 2020. As most of you already know, we have been communicating and planning for his retirement for a long time, but now the actual date has arrived.

Steve has been with Taquanta since inception and he will be sorely missed by all of us here, as well as, I am certain, by the many clients and industry participants that he has come into contact with over the years. Although no longer a director, he remains a shareholder in the business and is likely to remain as such for some years to come.

The long lead-up period to Steve's planned retirement, has allowed for a comprehensive hand-over of his responsibilities to the remaining Exco and Investment Team, but we will also be in further communication regarding any new appointments, in due course.

Please feel free to contact me should you require any additional information.

Kind regards

Ray Wallace, CFA

Chief Investment Officer
